*Lucille M. Serpico*

*To Her Memory*

Miss Lucille Serpico was taken from our midst on October 24, 1973. A dedicated woman, Miss Serpico gave South Plainfield High School most of her years as a member of the faculty since 1967. She affected the lives of the student body and faculty in a way we shall not soon forget. She was advisor to the Towtown Jerseymen and last year she gained recognition as "Outstanding History Teacher of the Year."

There are no words to express the pain and empty feeling in our hearts. We will always remember her hearty laugh and warm smile. She instilled in all her students the desire to receive and pursue knowledge and happiness of life.

Miss Serpico has made a lasting impression in the minds of many people. She will be missed.

# Tigers Second in the Mid-State

Left to right; first row: B. Munley, B. Dare, D. Donatelli, B. Giannini, J. Braco, J. George, L. Russo, D. Fiore, M. Crandall, B. Disch, K. Miller. Second row: J. Laidlaw, Sr. Mgr., J. Ford, R. Levandowski, W. Finney, C. Hoppe, D. Deakyne, D. Tillotson, P. Pelligrino, G. Bataille, S. Lamm, P. Pennisi, J. Sulovski, P. Glowacki, T. Ritchie, B. White, mgr. Third row: Asst. coach, J. Matticola, Trainer, B. Johnson, D. O'Brien, M. Rennie, G. Boltz, D. Santoro, T. Lubin, J. Danyo, G. Baldoni, M. Riccardi, T. Ford, M. Fusco, D. Genge, H. Wycoff, J. Strasko, V. Cuthbert, R. Mazellan, K. Hennelly, M. Downes, F. Rusin.

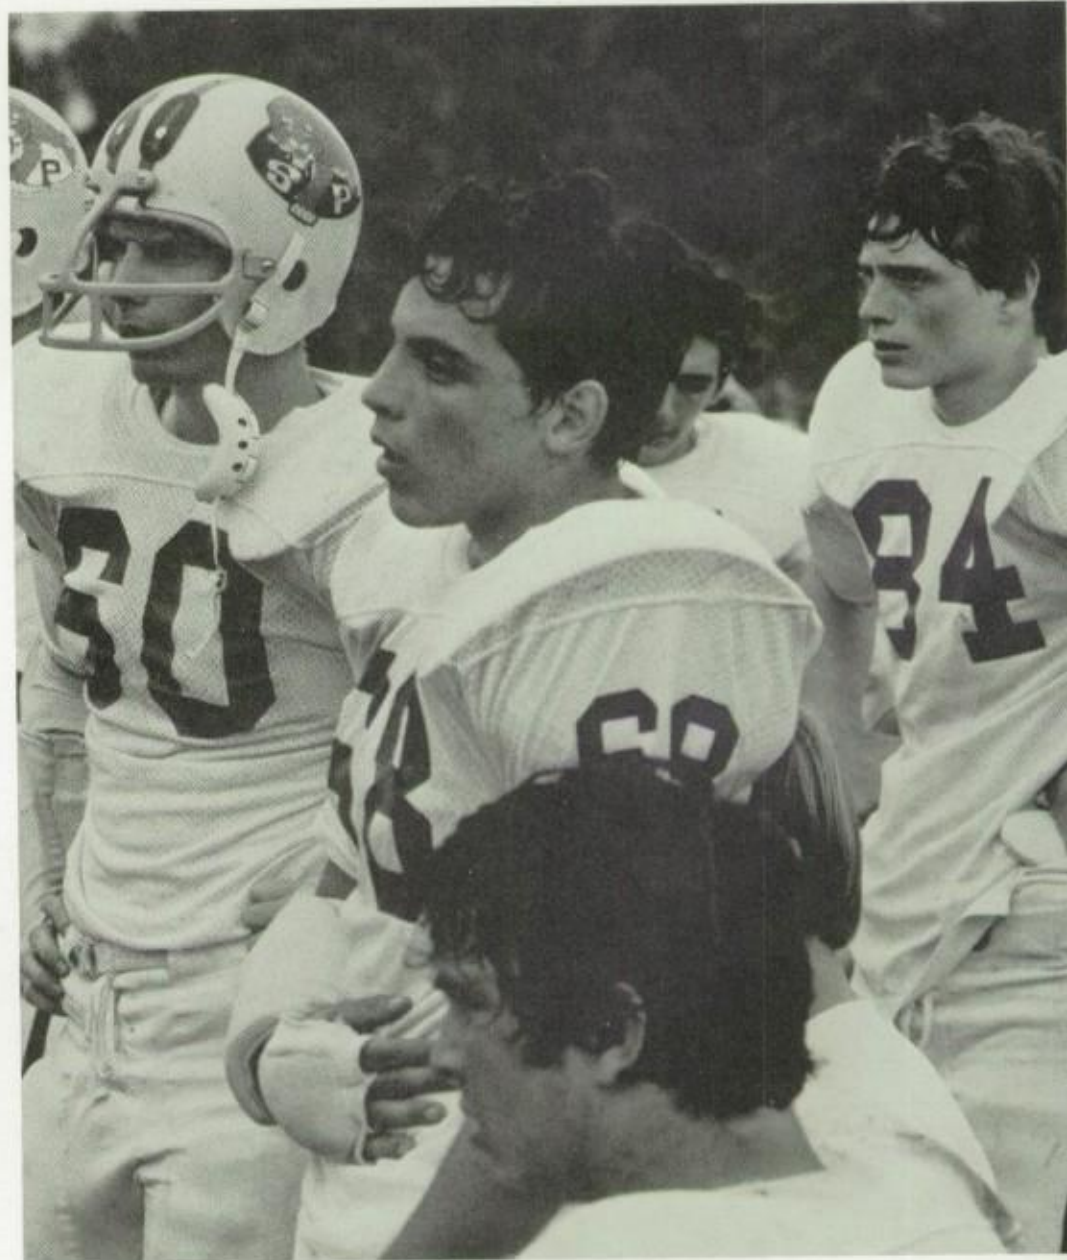

After an uncertain start, including a 7-6 heartbreaking loss to Somerville and a 12-2 loss to undefeated Watchung Hills, the S.P. football Tigers went on to become second in the Mid-State Conference.

This year's team was highlighted by a stingy defense and a potent offense. The defense was anchored by co-captain Jerry George and Mark Rennie, who were picked for the first team Middlesex County. They had a great amount of help from starting linebackers Charley Hoppe and Joe Danyo, twice the team's defensive player of the week. Other outstanding players on the tough Tiger defense were Ron Mazellan, Joe Sulovski, Gene Bataille, and Rich Reininger. John Cuthbert, Bob Dare, and Bob Thompson, two way starters for the team, showed the Tigers' rigid defense against the pass. This year's defense only allowed an average of 9 points per game.

The offense was as powerful as any in the area. The outstanding offensive line, anchored by center, Gary Baldoni, guard, Brian Giannini, guard, Doug Genge, and South Plainfield Lineman of the Year, Pio Pennisi, enabled the backs to run wild. Leading rusher, Don Fiore was named to Middlesex County first team for his efforts, while Bob Thompson, Bob Dare, Hayden Torrence, and Dave Tillotson shared the other halfback responsibilities.

Leo Russo, co-captain and starting quarterback, led the team with over 600 yards passing. Ends, John Cuthbert and John Roser, who caught 3 touchdown passes to ice the victory over North Plainfield, were always reliable and sure-handed. Rich Reininger topped off the offense by proving to be one of the best place kickers and punters around.

Next year's team looks like it will continue the winning tradition of this year.

Above: Joe Danyo, Brian Giannini, Don Fiore, and John Cuthbert wait impatiently to take the field.

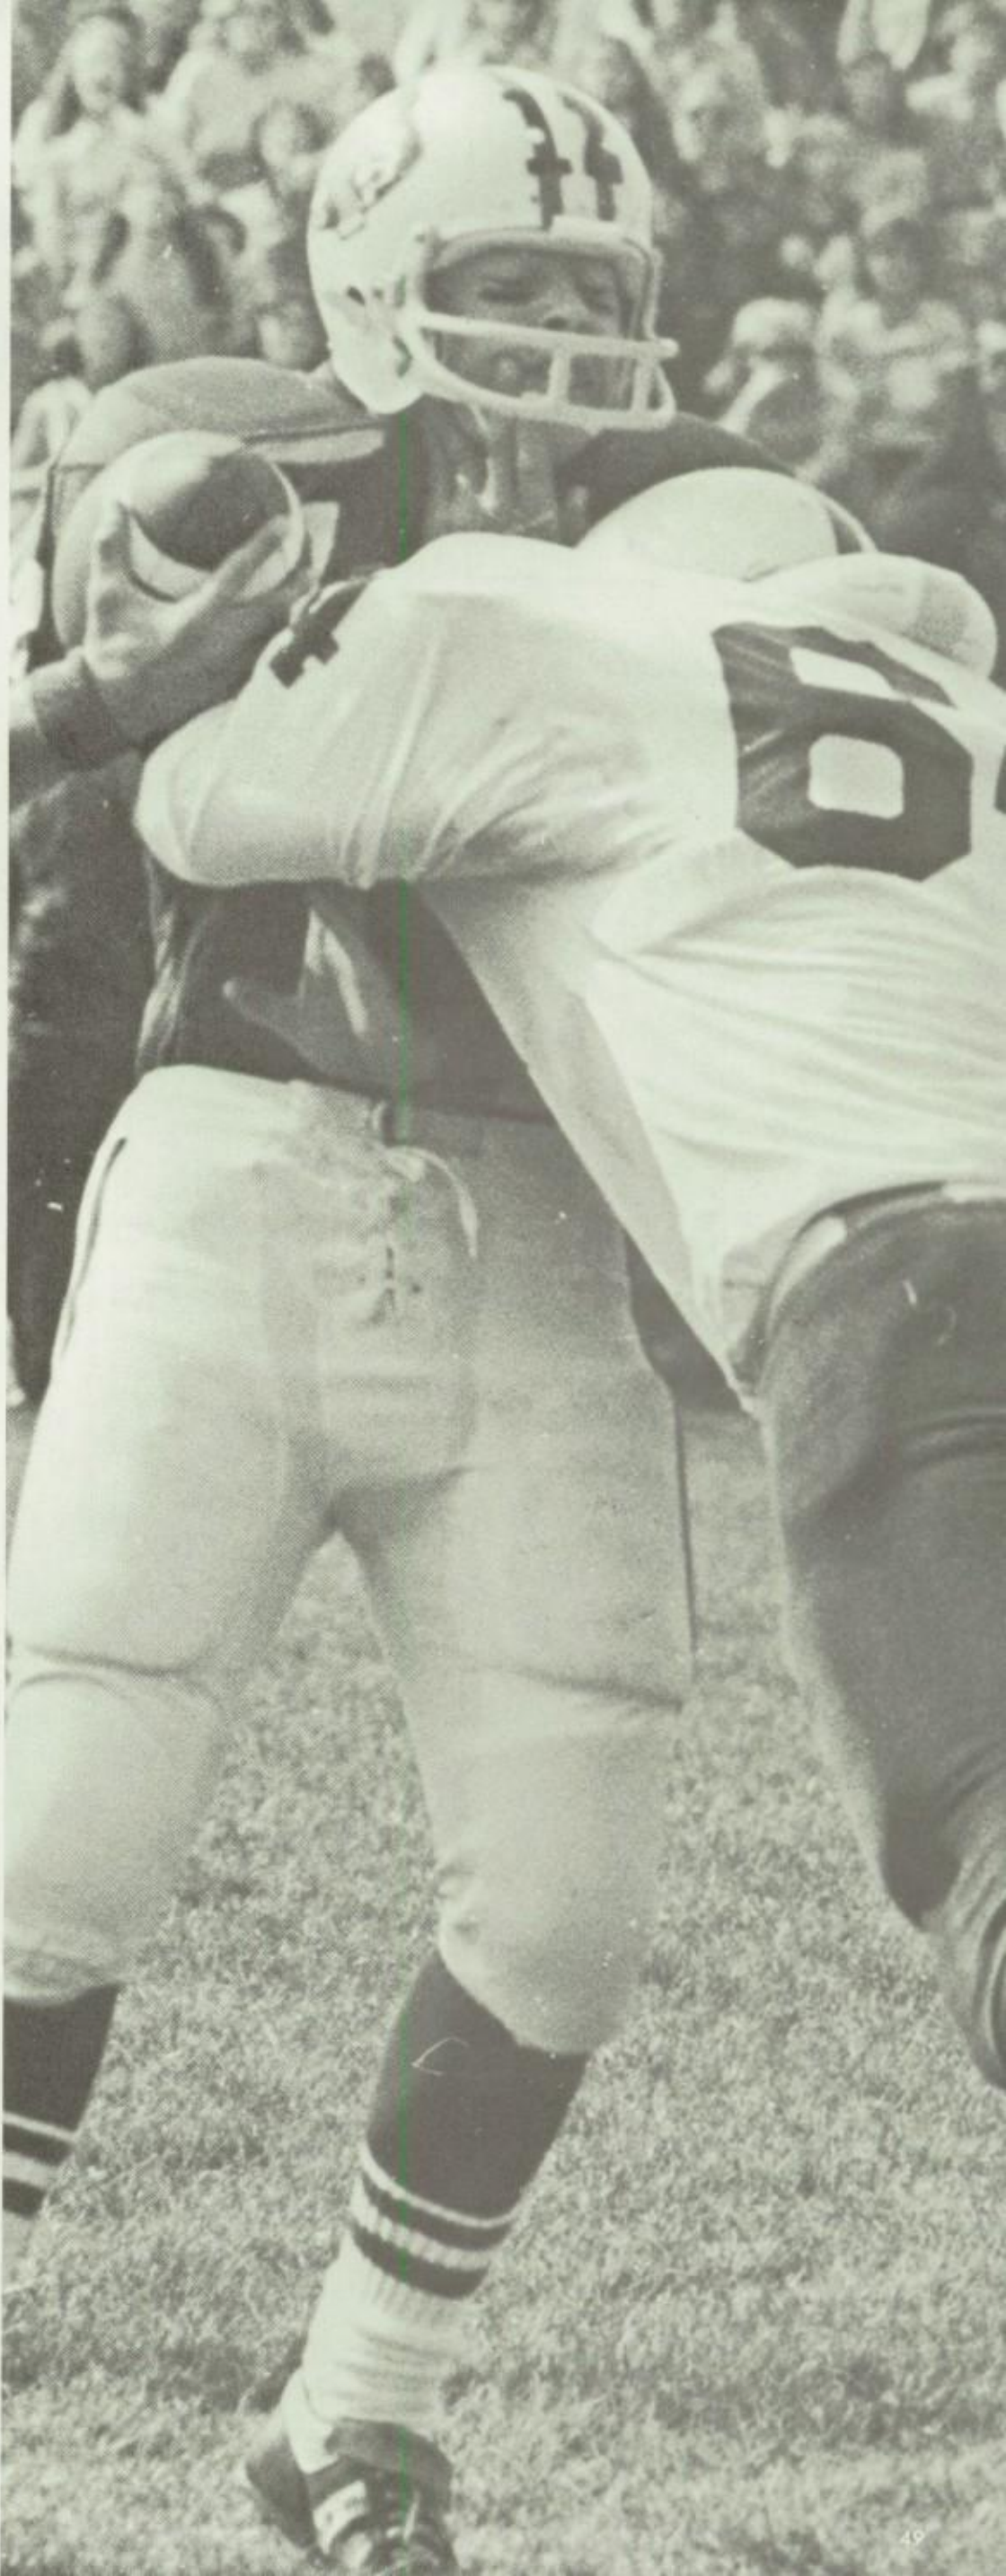

Above: Head Coach Phil Graham looks over the situation on the field with trainer, Mr. Johnson and asst. coach, Demech.

## J.V. Has Exciting Season

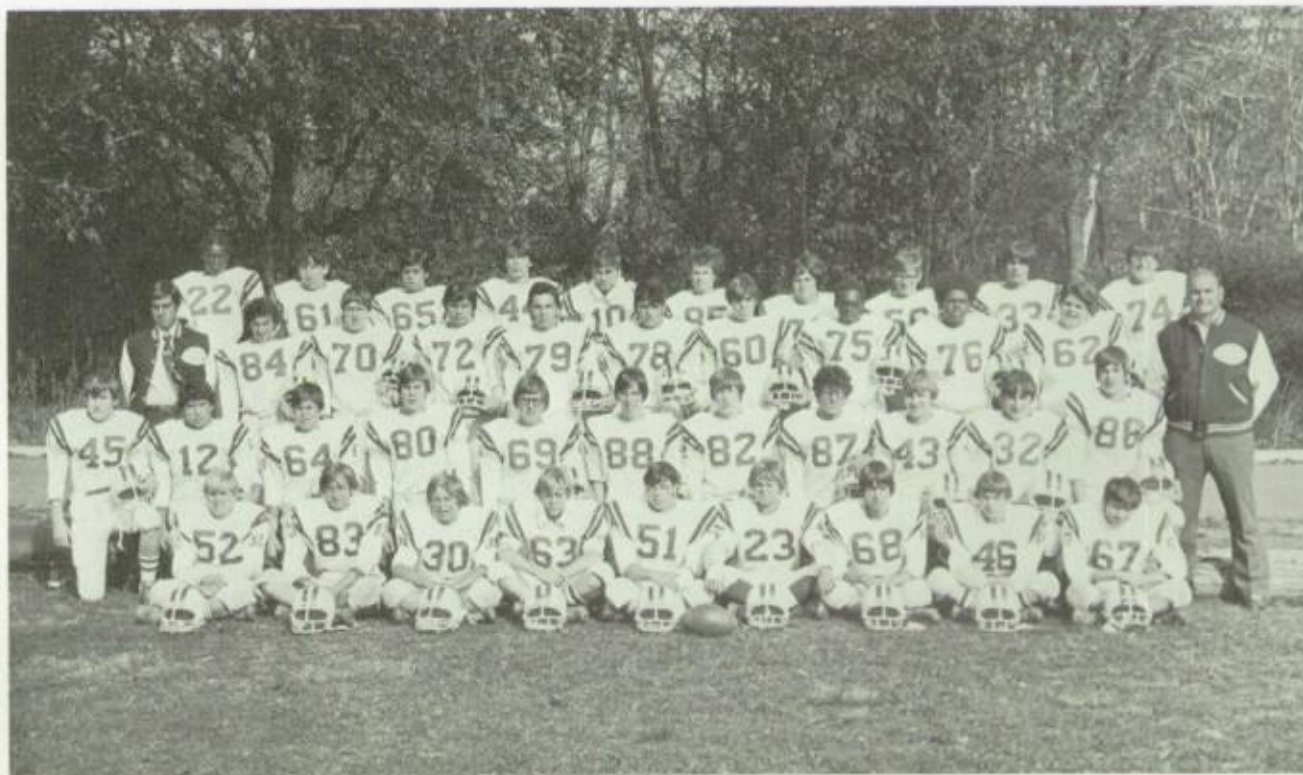

With a 3-4 record, the J.V. team had an exciting record due to the combined efforts of Kevin Sakevich, Joel Mirra, and Fred Behr. According to Coaches Malone and Skillman, this year's team should have a great impact for future S.P.H.S. football. This was proved by the fact that J.V. beat Woodbridge which had an undefeated record and lost 4 games by a total of only 9 points.

Left to right; first row: R. Conrad, J. Petriello, K. Kruppa, J. George, K. Sakevich, D. Cicmanský, N. Chupko, B. Davis. Second row: L. Cortese, J. Vargo, S. Pauls, R. Shello, R. DeFrancesco, S. ## Freshman Team Improves

Good defense and improved offense were greatly appreciated as the freshman team was able to rebound from a shaky start. Captains Erwin Velasquez, Steve Giniecky, and Jim Cortese helped lead the team to a 3-5-1 record. These players along with outstanding players Charles Sakavich, Chris Johnson, and Sal Severini should be bright spots in future years for Tiger football.

Posting a 7-8-1 record for the season, Coach Ben Crowers made his farewells after a successful career as a coach of the varsity soccer team. Even though it was a rebuilding year, the team did a good job of banding together after seniors Paul Celentano, who this season's most valuable player and tied for fifth all time career scorers and Jack Perrine, career leader for assists, were injured.

Seniors Doug Eadie, Ray Pilukitas, John Krylowski, and most improved Jeff Luthman were responsible for some of the team's success. Helping them were Juniors Scott Grare, Scott Bishop, Frank Mazepa, and Wayne Lewis. The strength of the bench was also important as Al Palamara, Steve Pfistner, Frank Hanley, Matt Duch and junior Don Scala were often called upon to lend assistance. Next season looks to be a good one for all soccer enthusiasts.

This year's J.V. soccer team had a much improved season ending with a record of 9-6. According to Coach Novak, this season was not the best ever, but it was much better than last year's season with only one win. S.P. also only uses Sophomores on the team while other schools use some Juniors.

Leading the defense of the team were Charlie Yulick and Frank Rafalko while Dan Jones lead the team with 13 goals this season. Coach Novak also sees a bright future for the goalie, Bob Huggan and is looking forward to next season.

## Freshmen Have Best Season Ever

# Injuries Hamper Cross Country

The season started well for the S.P.H.S. Cross Country team. However, injuries to Wayne Washington and illness to Co-captain Frank Vallone saw the team go downhill after a 4-1 start. Anchoring the team for the remainder of the season was most valuable player Ron Gaither, a consistent top performer, and senior Co-captain Don Decker. Helping were Ken Fry and Uva Keitliz. Coach Jason sees a promising future and is looking toward to runners like Wayne Washington, Peter Vanderhelm, Dave Altenau and Uva Keitliz.

Left to right; first row: D. Barsky, C. Cucci, U. Keitliz, W. Washington, H. Montferrante, P. Vanderhelm, D. Altenau. Second row: Coach Jason, M. Dancer, J. Scalara, R. Gaither, K. Fry, D. Decker, F. Vallone, A. Mathews, J. Marcharski, J. Wittenzellner (mgr.).

Juniors Rich Reininger and Alan Thomas will also be moving up to varsity. Other starters for the J.V. were Fred Behr and Mike Flannery.

Some of the outstanding wrestlers this season were Junior James Conroy who wrestled at 101 and remained undefeated for the season, Robert Hunt at 122 with a 7-2-1 season, Senior Joe Bracco at 135 with a 9-2 record and Tom Maccereilli at 188 with a 8-2 record. ## J.V. Wrestling Has Outstanding Season

This year's J.V. team had an outstanding year finishing with a 8-3 record. Some of the more prominent wrestlers were Freshman Ken Stampley who wrestled 101, Joe Mantz who wrestled 129, Wayne Diana who wrestled heavyweight, and Sal Saverini who wrestled 148-158. Coach Baker feels that the fact that the boys were wrestling other boys that were older and more experienced than they were bodes well for the team next year.

# A Building Season for Hockey

Inexperience hampered the girls' field hockey team this season. The team ended its season with three wins, eight losses, and two ties. Having had no seniors this year, the team is looking forward to seeing all returning lettermen next year. Despite the team's problems of inexperience and split sessions, three varsity players were nominated for the Mid-State All-Star hockey team. Mel Petrone, high scorer for the season, with seven out of the eleven team goals, was nominated for the forward position. Reenie Atcachunas, half-back, and Mary Padilla, goalie, were also nominated for the All-Star team.

## A New Sport at SPHS

The recently formed girls' track team did well in the one meet in which it participated. On Tuesday, November 6, 1973 the team tied for fourth place in the Mid-State Conference Cross Country Track Meet. This is an impressive feat, considering the fact that the team is still officially a club, not a varsity sport. The top runner, Kathy Noonan, placed 13th out of 50 runners in the two-mile race.

## Cheering Boosts Spirit

The cheerleaders worked hard to perfect their cheers. All summer long they practiced in the school parking lot. During the school year they practiced in the halls at night. Their hard work was rewarded with the second place trophy in the St. Pius X cheering competition. To start off the football season and to boost school spirit before the Thanksgiving Day game the girls organized pep rallies. They also decorated the halls, classrooms and the lockers of the sportsmen before most sports events. This year has been very rewarding for the girls thanks to advisor Miss Erickson's assistance. Unfortunately, Gail Pfistner and Ginny McCauley will not be on next year's squad. They will be missed.

# Tough Season for Basketball

The Girls' Basketball season record of six wins and ten losses is a little disappointing. It is, however, understandable. Five of the six lost games were extremely close and could have been won by either team. Due to bad breaks, they were lost. Among the bad breaks for South Plainfield was the trouble it was having with inexperience and injuries. There were only four seniors on this year's team, one of whom was out for the season with a leg injury. One of the team's starters, Carol McCauley, also had to sit the bench for the majority of the games with a broken ankle. Despite problems, the season brought to light some outstanding performances. Mel Petrone and Reenie Atcachunas were high scorers for the season, with 206 and 137 points, respectively. Pat Eckel and Mary Schmidt led in rebounds. Pat totalled 113 rebounds, Mary Schmidt, a senior, pulled down a total of 106 rebounds. Next year's team can look forward to a strong season with most of its players returning.

The Sadie Hawkins Dance, where the girls ask the boys, was a big success this year. The dance was held on October 27 and the band playing was "Circus." Many events took place that night . . . hayrides, Daisie Mae's chase after Li'l Abner, marriages, and photographs of married couples. Prizes were awarded for best costumes to Mary Ellen Seiz and Greg Relyea.

## Band Wins Honors

Drum Major David Michalewsky thinks of future victories.

The South Plainfield H.S. Marching Band, under the direction of Mr. Paul Nagle, has been advancing not only in numbers and appearance but also in accomplishments. This year the band won many awards by participating in competitions. The band won first place competing against nine other high school bands at the Metuchen Christmas Parade. The band placed second at the Edison Halloween parade in contention with ten other bands. In the Woodbridge Christmas parade the band placed second. In September, the band also placed third in the Central Jersey Marching Competition at Woodbridge Stadium.

A big asset to the marching band was this year's increase in size and the colorful uniforms.

Some band members also received individual honors by trying out and making the Region II All-State Band and Orchestra. Mary Schmidt and Donna Aiello, both seniors, were selected for the band, Mary also placed as the first seat piccolo in the orchestra. Susan Pride and Steve Brooks also took honors as members of the band.

## Color Guard

Lucretia Wilson and Shawn Gaines wave to the photographer as they line up for their half-time performance.

During the year 1973-74, the S.P.H.S. Color Guard participated in many activities. In order to prepare for these events the entire squad went to band camp where they spent many long hours of practice. The Color Guard entered many parades and competitions with the band.

This year the Color Guard was under the fine direction of Mr. D'Alessio. The squad also received special instruction from the Fort Monmouth Drill Team.

Officers of this year's squad were Harolyn Wilson, captain, Connie Gonzalez, co-captain, and Lucretia Wilson, secretary-treasurer. The remaining seniors were Joy Wittenzellner, Robin Obester, Elena Vastano, Irene Boczar, Virginia Williams, Kim Dancer and Donna Moore. With all of its complications the squad pulled through and made it a very successful year.

# Tigerettes

But that's not all they were waiting for. After ordering new uniforms early in the summer the squad anxiously awaited their arrival. They did finally arrive, a little late for football season, but in time for the last parades. The uniforms not only improved the appearance of the squad, but also the entire band.

## Council Comes Close . . .

The new smoking privilege, however, does allow cigarettes to be smoked in the courtyard during the passing of classes. After three long years of hard work and determination, the Student Council was successful in obtaining a smoking lounge for the students. Council members active in setting up the program were Council President Ray Russo, Vice-President Sylvia Rebmann, representatives Phil Rounds, Pio Pennisi, Al Palamara, and Lynn VanHaren.

Other activities sponsored by the Student Council were the annual Sadie Hawkins Dance and the Student-Faculty Basketball Benefit Game which raised money for food baskets for the needy of South Plainfield at Christmas.

## What Goes Up . . .

Between Saturday halftime shows and nightly practices, the S.P.H.S. twirlers found time to enter competitions and parades with the band. The squad was successful in taking third place of ten units entered in the Edison Halloween Parade.

The highlight of the twirling season was the Thanksgiving Day halftime features. Senior twirlers Lynn Van Haren and Cindy Lanza excited the crowd with their fire routine. Another senior, Cathy Easton, was also featured, twirling her hoop baton. Underclassman captains Janice Stahura and Karen Lynch performed a duet routine with double batons. The remaining twirlers were also featured in a two baton routine. This year has been very successful for the entire twirling unit.

Cindy Lanza and Joy Wittenzellner discuss the underclassmen section.

Amid the violent rampage and uproars from both the students and teachers alike the 1974 edition of the Regit will finally reach the students of S.P.H.S.

This years staff, headed by advisor Joan Tarte and Editor-in-Chief, Ray Russo, has changed its style from the running commentary of the past years to a regular story. Staff Editors for this years Regit were: Curriculum, Margaret Markus; Boys' Sports, Ken Gillman and Diane Todd; Girls' Sports Marian Greenfield and Karen Larsen, Activities, Al Palamara and Lynn VanHaren; Seniors, Debbie Martin and Gloria Mayne; Underclassmen, Cindy Lanza and Joy Wittenzellner; Photography, Sid Lehr; Art, Ellen Scavuzzo; Sales, Irene Boczar and Sandy Prehodka; Advertising, Cathy Capra and Beverly Cooney. The Staff was greatly aided by Mr. Ellis Williams, who gave of himself freely to take many pictures for the yearbook. They also received a trophy for being in the Historical Society for ten years.

For the State Fair, the Jerseymen's projects dealt with the history of Hadley Field. Their hard work was rewarded with two blue ribbons for superiority and a red ribbon for excellence.

All this could never have been accomplished without their advisor, Miss Lucille Serpico. She was awarded the honor of History Teacher of Year in 1973. Unfortunately, to our great loss, Miss Serpico passed away this year.

The new advisor of the club is Mrs. McMeekin. The officers of the club are: Harolyn Wilson (President), Sarah Wilson (Vice-Pres.), Lucretia Wilson (Secretary), and Cindy Maurer (Treasurer).

The Jerseymen practice the lost arts of tinsel painting, theorm painting, corn husk doll making, apple core dolls.

They also write articles for the "Cockpit," a historical magazine which is published quarterly.

## Un Spectacol De . . .

Director Mr. Peter Franks strikes a friendly pose with the choir's Romanian guide, Andrei.

"Michael, keep the bus on the road!"

"Everyone check your passports at the desk, and then get on the plane."

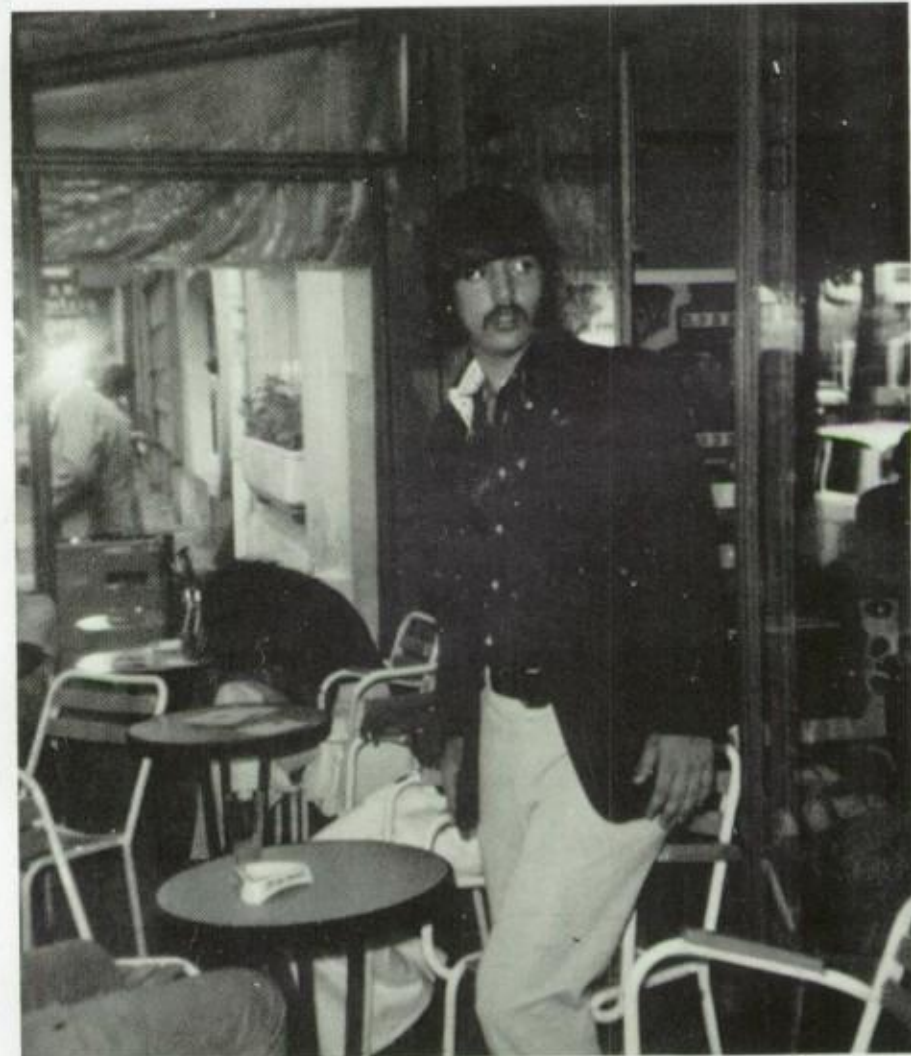

This was the order given as the A Cappella Choir boarded their plane at Kennedy Airport on June 25, 1973 bound for Romania.

The trip was sponsored by the American Council's "Ambassadors for Friendship," a 3 week tour of Romania, including tours, museums, concerts and monasteries.

Many exciting adventures went on from day to day, ranging from sick stomachs from the "P and P" (pork and potato diet), being stuck on elevators (right? John, Ray, Barbara, and Terry), teaching the guide how to play poker (right? Wally), and then just plain homesickness.

The climax of the trip was the 5 day stay at the Black Sea Resort. The choir went swimming and boating by day and bowling and dancing at the discoteque (the Bump) at night.

Then, after 21 days, the choir flew HOME SWEET HOME!!! Upon arrival to the School, the choir was given a warm reception by family and friends, the final touch to make those 3 weeks a grand, glorious, and very exciting adventure.

## Good Morning, Today Is . . .

Linda Cacciatore, a member of the Announcers Club, tells the thought for the day.

This is quite a familiar phrase to students at SPHS. Each morning as the students straggled into home-room, they would be greeted through the PA system by the silver-throated members of the Announcers Club.

They would announce to the students what activities would be held in the school that week. The highlight of the announcements was the "Thought for the Day." (Students are still wondering where they dig them up from.)

The members of the club are: Joy Wittenzellner, Marion Greenfield, Barbara Yulick, Karen Davis, Linda Cacciatore, and Ellen Scavuzzo. Announcers for the afternoon are Terry Loggia, Mary Ellen Deegan, and Amy Evans. The club's advisor is Mr. Raymond Swidersky.

## Math Club and Team

The Math Team and Club is an organization where students discuss math and solve intricate equations. The best members of the club compete with other schools to see how their knowledge of math compares with the other schools. Members of the Math Club are: David Hough, Eileen Buyacheck, Allen Thomas, Dave Altenau, Mary Ferraro, Dave Fry, Susan Guerts, Cindy Maurer, Karen Davis, Phil Rounds, Mark Sirota and John Leyman. The club's advisor is Mr. Bruce Yaches.

## Think Snow, But Hope for Gas

Ski Club members, Bob White and Bill McLean, load their ski equipment in the bus.

The greatest hope of the Ski Club this year was that the gas crisis would ease up enough to allow the club to make a trip to the slopes. All ski trips had had to be canceled due to the energy crisis, but their hopes were answered and the first trip was held on Monday, February 11, 1974, to Vernon Valley.

The officers of the club are: Cathy Easton (Pres.), Sue Grogan (Vice-Pres.), Arlene Raczkowski (Sec.) and Cathy Capra (Treas.). The advisor of the club is Mr. Don Clark.

"C'mon Mr. Clark, let us on the bus."

And they're on their way!

## Meanwhile, Down at the Edison Lanes

Headquarters for the Bowling Club and Team this year was Edison — 112-Lanes. Mr. Fech served as coach for the team and as advisor along with Miss Fittipaldi for the club. The Lanes were extremely helpful this year by furnishing many services and throwing a party for the club.

The highlight of the season came when the bowling team placed eighth out of thirty-eight teams in the State Sectional Tournament. Fred Behr, Don Ernst, Ed Bennit, and Joe Cucci, who held the seasons high game, 245, and high series, 606, gave strong performances in the tournament. Next year bowling becomes a varsity sport for the first time and the team will become a member of a newly organized conference.

In this year's club, Don Fry claimed highest game among the boys with a 266 game while Sharon Proesch led the girls with a high game of 202 and a high series of 501.

Kneeling: J. Leyman, D. Fry, J. Cucci. Standing: Advisor Ralph Fech, J. Laidlaw, D. Ernst, K. Lynch, C. Maurer, D. Warshaw, S. Proesch.

Above: Ray Russo and Cathy Easton involved themselves in many activities during their Junior year to make them deserving of the Boys' and Girls' State awards. Al Palamara and Cindy Lanza also participated in many clubs and activities.

## Boys' and Girls' State

In June of 1973, the American Legion Post of South Plainfield chose Ray Russo and Cathy Easton to attend the annual American Legion Jersey Boys' and Girls' State. All the American Legion posts in the state of New Jersey interview high school Juniors and choose a representative to this one week affair to learn about state and local government. This year Ray attended the week at Ryder College in Trenton and Cathy, at Douglass College in New Brunswick. Alternates for the awards were Al Palamara and Cindy Lanza.

## Football Field Dedicated

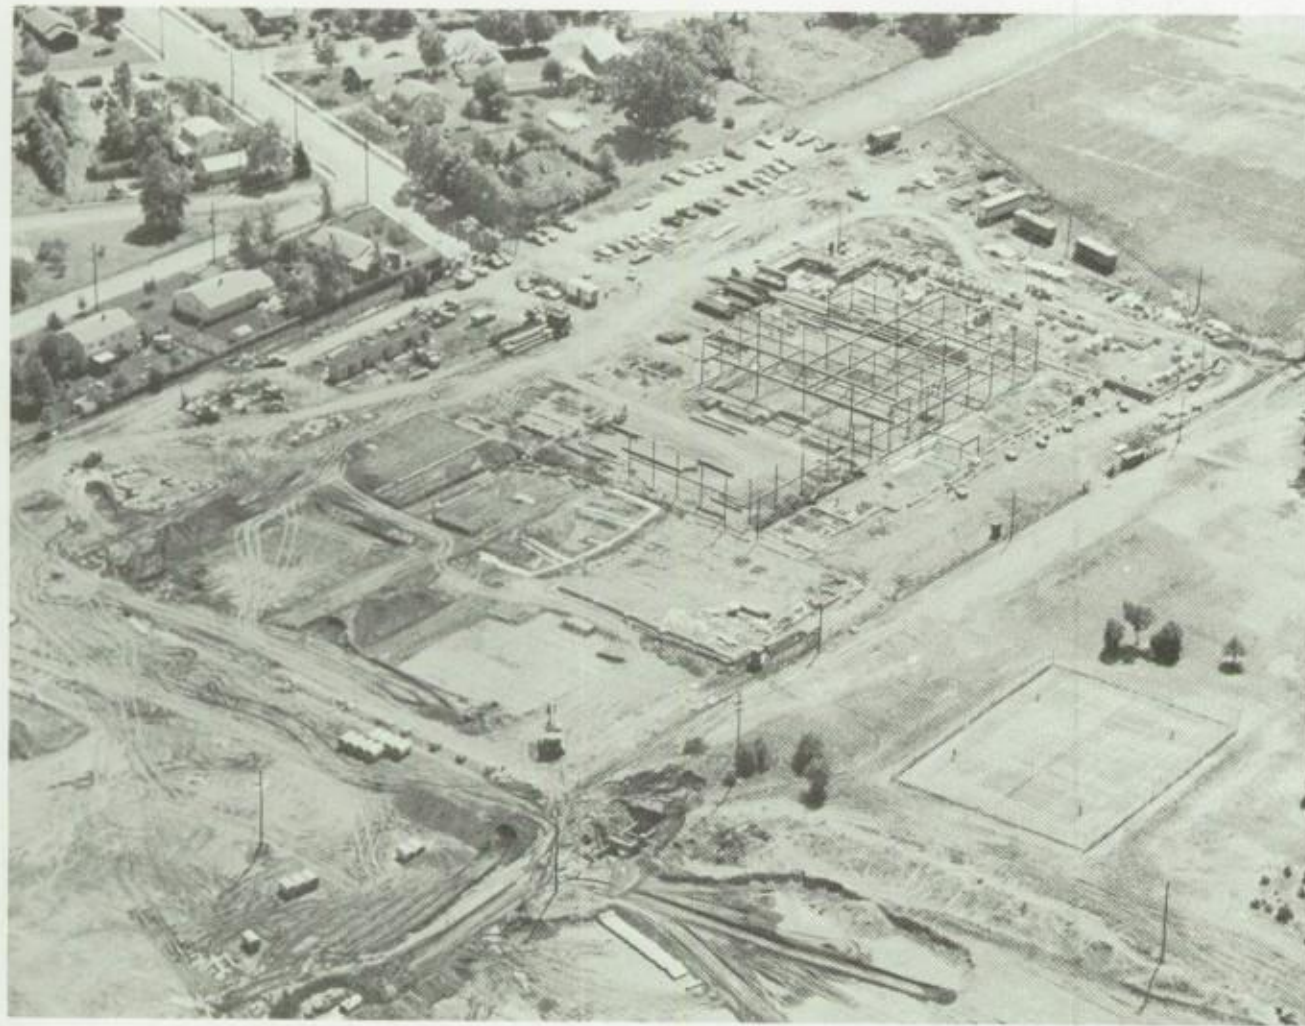

On September 22, 1973, the new South Plainfield High School football field and track were dedicated to the late Frank Jost, former athletic director at the school. Many honored guests such as Mayor William Pendergast, WERA sports announcer John Pepe, councilmen Charles Haus and Owen Kelly, Superintendent of Schools of South Plainfield Leonard Tobias and former Principal of S.P.H.S. J. Walter Gillis. John Lanza, President of the South Plainfield Recreation Commission, presented the dedication plaque to the Jost family.

# Class of 77 Readies for Open Space

Freshman Class advisor, Mr. Weisgerber, Vice-President, Erwin Velasquez, President, Jim Cortese and advisor, Miss Tarte, discuss plans for open space orientation while Secretary, Mindy Ungerleider, and Treasurer, Karen Aroneo, look at the notes.

The Class of 77's first year in high school has proven to be a unique experience for all. Not only did they have to adapt to high school life and split sessions, but they also had to prepare extensively for the new open space high school.

The class advisors, Miss Tarte and Mr. Weisgerber, helped the newly elected officers, Jim Cortese, President, Erwin Velasquez, Vice-President, Mindy Ungerleider, Secretary, and Karen Aroneo, Treasurer, prepare for their indoctrination into a new learning concept. The class has also had several fund raisers including the annual Freshman Dance. Next year should prove to be more successful because of the greater capacity for learning and activities.

## Class of 1976 — Most Active

Sophomore officers, Kevin Sakevich, President, and Robin Skolnick, Vice-President, look over the shoulders of Secretary, Cathy Wilverding, and Treasurer, Kim Laidlaw, while making future activity plans with advisors Miss Ribinsky and Mr. Massaro.

The upperclassmen of the afternoon session have been one of the most active sophomore classes in recent years. Beginning the year with newly elected officers, Kevin Sakevich, Robin Skolnick, Cathy Wilverding, and Kim Laidlaw, their activities have included sponsoring buses to away football games and the first outdoor dance ever sponsored by S.P.H.S. These coupled with many other fund raisers made the year hectic.

Among the many students that helped the officers in the planning of the projects were Patty Staub and Debbie Licato, who put forth much time and effort since their Freshman year. Ray Bindus and Don Raczkowski were also very helpful in making the class a success.

# Innovative Class of 1975

The Class of '75 has broken away from tradition in preparing for the new high school. This year the class has brought about many innovations which will lead the way for the future of S.P.H.S.

One innovation brought about by the Juniors was the change of the traditional class ring to a new type of ring. The class held a vote and the 2 to 1 majority changed the style.

Also, the class officers, Chris Fritz, President, Pat Palazzo, Vice-President, Carol Markovitch, Secretary, and Eileen Olsen, Treasurer, combined efforts with the Senior class officers to hold one prom or Spring Cotillion for both classes.

Fund raising was not too profitable this year, however. The sale of seat cushions did manage to give a slight boost to the treasury of the Junior class.

Other preparations for the new open space high school were also planned and carried out by the Junior class in the hopes of a great Senior year in 1975.

Junior class advisors, Mr. Fiorello and Miss Karp (standing), get together with Vice-President, Pat Palazzo, and Secretary, Carol Markovitch, to work on the details of some of the class projects.

Our final year at the high school may be our most important year of all. The changes that have gone on were somewhat hectic, but enjoyable.

The Senior Class held their final election in which President, Gwenn Mazza; Vice President, Ginny McCauley; and Treasurer, Debbie Martin, Class officers for four years, joined forces with newly elected Secretary, Gloria Mayne, to lead their class onward.

The old traditions of cap and gown measurements, Senior play, Senior trip, etc., still remain. The constant fight for Senior privileges, year after year, has brought some dissappointments. First and seventh period studyhall, however, were allowed late arrival and early dismissal.

This year has brought about many changes in the Senior class. Among the changes that happened were the discontinuing of the Senior Prom, and the initiation of Junior-Senior Cotillion, as well as the beginning of a Senior Banquet.

All in all, the last year at S.P.H.S. has been a rewarding one for the class of 1974, with many promising futures.

"Little to the left," says photographer to Mary Ellen Diamond and Raymond Jenkins.

June 9, 1973 proved to be a most enjoyable evening at the Shackamaxon for those students who attended the Junior Prom.

The evening was filled with singing, dancing, and delicious food.

Kim Dancer was chosen to be our Junior Prom Queen.

The memories will last forever as we fondly recall the evening.

A yearbook is the history of the school year in capsule form. If no one were there to record and compile this history, many of our fondest memories could easily leave us as we leave high school. The yearbook combines the work, effort, skill, cooperation, and time of many. The rewards received for this work sometimes get lost or forgotten. I only wish to take this opportunity to express my deep thanks to those who have worked so closely together to complete the 1974 REGIT. The importance of these people cannot be measured in words alone, for their deeds are too numerous and endless to account for. Therefore, the gratitude I will express will only partially cover the true feeling I have for them.

First thanks go to MISS JOAN TARTE, our REGIT advisor, who not only showed patience and confidence in our staff, but also gave more of herself than any of us had a right to ask for.

MR. BRENT RICHARDS, our business advisor, who gave us his business know-how and experience in helping us learn the solution to financial problems in the yearbook.

MR. ELLIS WILLIAMS, whose reliability and accessibility as a photographer proved to be one of our greatest assets.

MR. GEORGE FRANKLIN, our Taylor Publishing representative, who inspired us and led us to realize the potential and responsibility we had as a yearbook staff.

CINDY LANZA — A special personal thanks to her for her moral support to me and for the work she did above what was required of her.

GLORIA MAYNE AND DEBBIE MARTIN, our disagreements only acted as a catalyst to greatly improve a yearbook and a friendship.

LYNN VAN HAREN, for being responsible and dependable and a pleasure to work with.

FACULTY, for their time and cooperation in letting the staff out of class, their suggestions, and their identification of pictures.

ADMINISTRATION, for their understanding of the problems that we encountered and being only too willing to help us.

SID LEHR, TED DEWISE, MARK IPPOLITO, our student photographers . . . A picture is worth a thousand words.

FRANK PERRONE, whose art work surpasses excellence and whose designs are imaginative, creative, and a pleasure to view.

MARIAN GREENFIELD, JANICE STAHURA, MARY FERARRO, KEN GILLMAN, AL PALAMARA, MARGARET MARKUS, DIANE TODD, IRENE BOCZAR, SANDY PREHODKA, CATHY CAPRA, BEV COONEY, ELLEN SCAVUZZO, AND JOY WITTENZELLNER.

These people were the backbone of the yearbook. Their hard work and dedication made possible the story of the 1974 REGIT. They are all to be thanked and congratulated for a job well done.

The 1974 REGIT is now just another part of South Plainfield High's history. The innovations and ideas we attempted to employ may take root, but only time will tell. I only hope the priceless memories this book stores for me may also be shared by others as they too glance through it.
